RAILROAD WAGE TROUBLE AGAIN BEFORE WILSON

COMPLETE TIE-UP
OF N. & W. SYSTEM
BELIEVED AT HAND

Hundreds of Workmen Walk Out in Sympathetic Strike Early Friday.

BROTHERHOOD MEN QUIT

1800 Leave Work at Portsmouth—Suspension Of All Traffic Seen.

(By Associated Press)

Roanoke, Va., April 2.—Officials of the Brotherhood of Railway Trainmen announced today that members of the organization would adhere to the decision to withdraw from service on the Norfolk & Western Railroad at 4 o'clock this afternoon.

They claimed conditions on the road have been rendered unsafe by the strike of railroad clerks, and that passenger and freight traffic would be tied up by night, but that mail trains would be operated.

1800 WALK OUT

(By Associated Press)

Portsmouth, O., April 2.—Eighteen hundred shopmen, at the local Norfolk & Western terminals, walked out here today in sympathy with the 150 clerks already out.

1200 TO QUIT
IN COLUMBUS

(By Associated Press)

Columbus, O., April 2.—More than 1,200 local employees of the Norfolk & Western Railway are expected to be on strike by this afternoon out of sympathy for the Brotherhood of Railway Clerks, who are on strike.

It was expected today that trainmen on the western division would respond to the call to strike, and it was said that this would completely tie up the entire Norfolk & Western system.

MORE WALK OUT

(By Associated Press)

Columbus, O., April 2.—More than 1,000 local employees of the N. & W. Railway terminals struck this afternoon in sympathy with the brotherhood of railway clerks.

STRIKE THREAT
IS POSTPONED

(By Associated Press)

Youngstown, O., April 2.—A threatened strike of operators and linemen of the Central Union Telephone Company in this district was being held up today, union officials said, pending a reply by the company to a recent demand of the linemen for a 35 percent increase and the filing of a demand by the operators for a six hour day.

HOLD WITNESS
AGAINST MINER
WHO IS ACCUSED

Petrovich, Held For Fiendish Crime, To Have Hearing.

(By Associated Press)

Steubenville, O., April 2.—Pope Petrovich, a Ramsey miner, was still in the county jail here today in connection with the murder of little Frances South at Adena, March 25.

Officials explained that he was being detained as an important witness against Mike Onankuk, who was arrested yesterday charged with the murder.

Petrovich identified blood stained clothing found in the room occupied by himself and Onankuk as belonging to Onankuk. Onankuk will be given a hearing late this afternoon.

STRIKERS ARE
BACK AT WORK

(By Associated Press)

Chicago, April 2.—Nine hundred striking stockyard employees returned to work today under agreement to have their wage differences arbitrated, and delivery of livestock shipments was resumed.

WOOD APPEARS
BEFORE THREE
AKRON CROWDS

(By Associated Press)

Cleveland, O., April 2.—Major General Leonard Wood, candidate for republican nomination for president, left here this morning for Akron, where he will deliver three addresses today.

The Wood party will leave Akron about 3 o'clock for Canton where he will deliver an address tonight. The party will go to Columbus late tonight and remain there all day tomorrow.

TO CENTRALIZE
MANAGEMENT

(By Associated Press)

Columbus, O., April 2.—Centralization of the duties now imposed upon the four members of the state board of administration which manages the 23 charitable, correctional and penal institutions into a new department to be known as a "department of welfare" under a single head, was tentatively agreed to by the joint committee on administrative organization today.

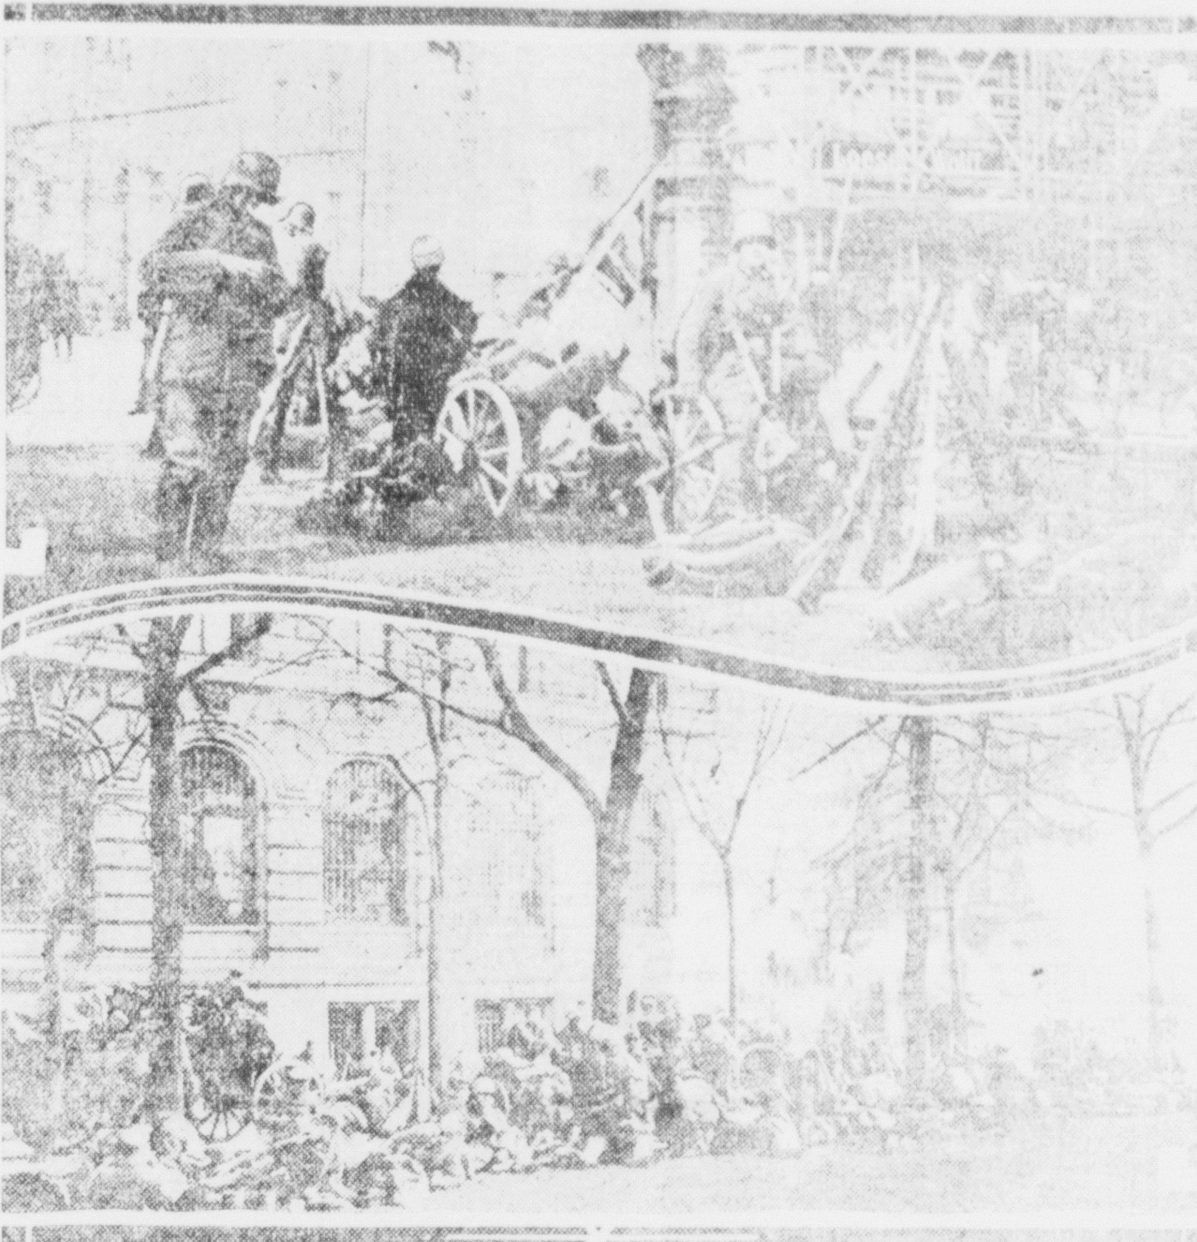

NEGRO LYNCHED

(By Associated Press)

Spartanburg, S. C., April 2.—George Robertson, negro, was taken from the city jail at Laurens last night by a mob and hanged to a railroad bridge.

He was charged with having cut three white boys with a knife after interfering on behalf of another negro.

THE SHORT AND BLOODLESS JUNKER REVOLUTION IN PICTURES

Though the bloodless junker revolution in Berlin is over and almost forgotten in America, the first photographs taken following

the occupation of the city by the Junker regiments have just reached the U. S. Two of them are shown above. They were taken in the

Unter den Linden and the Wilhelm Strasse and show recent troops picketing the streets on the morning after their arrival.

HISTORIC
MANSION
DESTROYED
BY FLAMES

Old Stone Structure Near Chillicothe, Home of Governor Allen, Burns.

Occupied By Grandson of The Former Governor—Was Built In 1802.

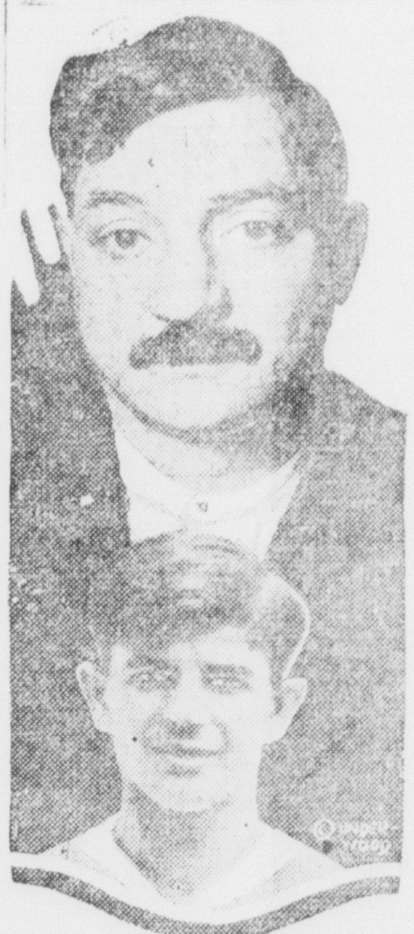

(Special to The Herald)

Chillicothe, O., April 2.—The Governor Allen mansion, erected in 1802 and first occupied by Governor Duncan McArthur, later by Governor William Allen, was totally destroyed by fire today, with a loss of \$30,000. The fire started from a defective flue.

The mansion was a large stone structure with frame addition, and contained many articles of historic interest and great value. A library of 3,000 volumes, said to be worth thousands of dollars, was saved.

For more than a half century the Allen mansion, occupied by Governors McArthur and Allen while the state capitol was at Chillicothe, has been one of the landmarks of the community, and a place largely visited by people from all over Ohio.

It was occupied by Allen Scott, a grandson of the former governor. The building stood on Fruit Hill two miles outside of the city.

FATHER KILLS HIS
WAYWARD SON TO
"SAVE HIS SOUL"

Frank Piano, Sr., and, below, Frank Piano, Jr.

Frank Piano, Sr., of Chicago, pleaded with his son, Frank Jr., to give up his bad companions. The father feared the youths would lead his boy into trouble which would eventually send the boy to the electric chair. The pleas were in vain. So Frank Sr. shot the boy. The son died a short time later in the hospital. Before he died Frank asked detectives not to prosecute his father. Police sent the broken-hearted parent home to attend to funeral arrangements.

SUFFRAGISTS JUBILANT

Ratification Resolution Still Up In Senate—May Vote Monday

(By Associated Press)

Dover, Delaware, April 2.—Despite the decisive defeat yesterday in the lower house of the Delaware legislature of the resolution to ratify the woman suffrage amendment, friends of the measure said today it was by no means dead as the ratification resolution still is in the Senate and the parliamentary situation is not such as to make it impossible to reconsider the motion in the House.

Suffrage leaders were greatly encouraged by the announcement that Alfred DuPont would support the resolution and declared they would make every effort to have it reconsidered by the House when the legislature re-assembles Monday.

Until last night Mr. DuPont, who exerts a powerful influence in republican policies of the state, had assumed a neutral attitude in the fight and his announcement caused jubilation in the suffragist ranks.

For Third Time Within Eight Months Controversy Placed In Hands of President.

WHOLE QUESTION REOPENED

Deadlock in Commission Over Great Increase Demanded By Employees.

Operators Insist The Increase Demanded Not Intended By Congress.

(By Associated Press)

Washington, April 2.—The whole railroad wage controversy was placed before President Wilson today for the third time since railroad labor filed its demands for a general increase in wages last summer.

In a letter to the President Chairman Jewell of the Railway Committee which constitutes the labor party on the railway wage board, said he regretted very much to "advise you of our failure to obtain any beneficial results from these conferences."

The employees, he said, were keenly disappointed at the position taken by the Railway Executive Committee which announced a deadlock and withdrawal of the railroad members from the conference.

Mr. Jewell did not ask the President to lay the wage controversy before the railway wage board which is to be nominated by the President as provided in the transportation act.

Attached to Mr. Jewell's letter was correspondence setting forth the attitude of the men and Executive Committee. E. T. Whiter, for the railway executives, wrote that while an agreement as to wages might be reached by direct negotiations between representatives of the road and the men, the executives did not believe Congress contemplated an settlement involving so great an addition to transportation costs without the public being represented in the conference.

ACTOR IS HELD
FOR CRUELTY
TO DAUGHTER

Said To Have Used Red Hot Irons and Needles To Torture The Girl.

"Gallanda" Held in \$2500 Bail

(By Associated Press)

New York, April 2.—Charged with cruel and inhuman treatment of his 17-year-old daughter Minnie, John Gallanda, known on the stage as "Gallanda," a clay sculptor, was held in \$2500 bail in a Brooklyn court today.

Nearly 100 scars were found on the girl's body. Affidavits filed alleged she had been branded with hot irons, scalded, stuck with ice picks, hat pins and darning needles, and that some of her teeth had been broken out and then pulled out with pliers.

EAT POISONOUS

Mexican Rebels Blow Up Train Carrying United States Official And Party.

ATTACK NEAR CAPITAL

"Quick Action" Alone Saved Lives Of Americans Involved

(By Associated Press)

Washington, April 2.—Lieutenant Colonel Robert L. Campbell, United States military attaché at the embassy in Mexico City, his wife and an American woman doctor named Paine were attacked by rebels a few miles from Mexico City, but escaped through "quick work and quickness of action," the State Department was advised today.

The attack took place on the railway out of Mexico City, the rebels dynamiting the train and destroying the track for some distance.

The women of the Campbell party hid in the woods near the station until the rebels left, but the fate of the members of the train crew and other passengers on the train was not stated in present advices.

Arrangements Made for Ending Uprising in Ruhr Valley.

The General Strike Has Been Called Off.

(By Associated Press)

Dusseldorf, April 2.—Soldiers of the workmen's army in the Ruhr district must make a delivery of their arms to local authorities before April 10 under agreement between the government and central committee of workmen's general conference at Essen today.

They will not be considered rebels if fighting stops throughout the district by noon Saturday.

The commander of the communist troops before Wesel gave a pledge to the conference of a strict observance of the agreement.

The general strike has been ordered called off, effective this morning.

NO REFERENDUM

(By Associated Press)

Columbus, O., April 2.—Attempt to referend the local street car fare ordinance has failed, according to announcement today by the city clerk who holds there is an insufficient number of signatures in the petitions.

The new ordinance stipulates a cash fare of six cents or five tickets for a quarter.

C. D. & M. EMPLOYEES MEET
MARION—Employees from Columbus, Delaware and Marion, forming the relief association of the C. D. & M., held their first annual meeting here with President Thompson, Ohio State University, as the chief speaker.

EASTER SUNDAY PRESENTATION PLANS READY

Plans for impressive services have been completed for the presentation of the French Memorial Death Certificates to the relatives of Fayette county soldiers, sailors and marines who gave up their lives in the world war. Presentation will take place at Memorial hall Easter Sunday afternoon at three o'clock and will be in charge of the American Legion, Paul H. Hughey Post, No. 25.

Hon. A. C. Reid has been secured to make the address. A special musical program consisting of vocal numbers of Messrs. R. R. Kibler, Rankin, Paul, Miss Ada Woodward and Miss Maxine Kibler, will be given by Mrs. B. F. Davis, accompanist.

Owing to confusion of records the war and navy departments have been unable to furnish all the certificates which are to be presented and efforts of the American Legion to obtain the

missing certificates have been unsuccessful; however, about thirty have been received and the war department is tracing the record of the others. The Legion hopes to secure these in a short time.

Invitations to the relatives of all Fayette county boys who died in the service were issued Thursday. Conveyances to Memorial hall for those who desire have been provided and relatives are asked to notify Rell G. Allen or Ray D. Post, if they wish a car to call for them.

An invitation is extended to the public to attend these services.

TRUE BLUE CLASS

A meeting of the True Blue Class of Grace M. E. Church will be held at the home of Miss Florence Bliss on Washington Avenue, Saturday, April 3rd at 2:00 p. m. Please bring food donations for Easter Baskets. If you are unable to attend the meeting leave the donation Saturday with Helen Lemmons at Fite's Grocery.

F. C. R. S. M. BANQUETED AND HOLD INSPECTION

The Fayette Council Royal and Select Masters contributed another notable occasion to the season's schedule in the Masonic fraternity in the annual inspection and banquet Thursday night.

Deputy Grand Illustrious Master Shaw, of Gallipolis, Ohio filled the office of inspector and the work moved off smoothly under the direction of Illustrious Master H. M. Fullerton of Greenfield, and Deputy Illustrious Master Edward Bushong.

There was a class of twenty candidates including Greenfield, Mt. Sterling and Jeffersonville.

The banquet was served by Royal Chapter No. 29, O. E. S., at half past six o'clock, with covers laid for eighty.

The tables were arranged to form a triangle, the Council emblem, and were beautiful, with spring flowers and greenery artistically used in decoration. The banquet in its hot, appetizing viands, and admirable service accentuated the prestige which Royal Chapter has attained in this line. Mrs. Walter E. Ellis was chairman of the dining room and Mrs. Stella Pyley of the kitchen.

TONIGHT'S SERVICE AT GRACE CHURCH

"The Crucifixion and Its Bearing Upon Man's Salvation" will be the subject for consideration at Grace Church tonight, Miss Edith Gardner will sing "He Died of a Broken Heart."

On Sunday morning before the preaching service there will be a baptismal service for a large number of children and babies. Following the preaching their will be a reception of members. There will be no service Saturday evening.

NO MASS MEETING ON EASTER SUNDAY

Because of the fact that there will be special services in all the churches Sunday (Easter) there will not be a men's mass meeting in the afternoon under the auspices of the Young Men's Christian Association.

Secretary Fraser of the Y. M. C. A. announces that a special program is being arranged for the following Sunday, April 11.

DEATHS STEWART

Virgil Stewart aged 9 years died Thursday evening at 7 o'clock at the home of his parents, Mr. and Mrs. Ora Stewart on East Market street.

GREAT RAINS IN TENNESSEE

(By Associated Press.)

Chattanooga, Tenn., April 2.—Four inches of rainfall within the past 24 hours brought the Tennessee river to near the flood stage today and prediction was made that by Sunday the river would reach 40 feet, or eight feet above the flood mark. Several small creeks have overflowed and railroad traffic interrupted.

POLICE WILL NOT INTERFERE

(By Associated Press)

Washington, April 2.—Efforts of the State Department today to have the Washington police break up the picketing of the British Embassy by women favorable to an Irish republic failed.

The police claimed that in the light of the decision of the federal courts in the case of the suffragists who picketed the White House two years ago they were powerless to act unless there was disorder.

(By Associated Press)

Laredo, Texas, April 2.—In a battle yesterday between four American customs inspectors and seven alleged Mexican smugglers, 40 miles from here, three of the smugglers were shot to death and the others escaped, crossing the Rio Grande into Mexico. One of the Americans was injured.

WANT AMERICAN LANGUAGE USED GIVES REASONS

(By Associated Press)

Columbus, O., April 2.—Of the two expressions, "stop your spoofing me" and "quit your kidding me," John H. Newman, state librarian, says the latter is more elegant. "Quit your kidding me," he says, is typically American, while "Stop your spoofing me" is English.

Newman and several others have started a national campaign to encourage the teaching and use of the "American" language in preference to the English. He says the best way to Americanize Americans and foreigners in America is through the medium of an American language.

Newman denies he is making war on the English language, but says America has coined a language—a composite of the whole—so distinctly its own that it should be universally accepted.

Sticklers of the English language, such as many college professors in both this country and in England, he says, might well understand one another in the use of high sounding words, but the average every day American much prefers the language of the street urchin. "My dear child Mary, proceeded to the enclosure adjacent to the barn there extract the whitish fluid from the female bovine," is fine English, according to Newman but he says he much prefers instead the expression, "Mary go, milk the cow."

"Not knowing with a sufficient degree of accuracy, I dare not articulate for fear of perversion," may be expressive to some, but to the masses in "America," Mr. Newman says, the expression, "I don't know" means much more.

RUSSIANS DESERT FROM RED ARMY

The Hague.—(By Mail)—Russian peasants desert from the Red Army at every opportunity and go back to their villages where they earn more money than they ever before dreamed of earning, asserts the correspondent of the Amsterdam Handelsblad who recently visited Soviet Russia. Nobody thinks of shooting them for desertion. "For the little they cultivate on their own soil people bring them what ever they want—gold, gramophones, clothes or money," he adds. "Nevertheless the power of the soviet in the country is very slight. The peasant accepted from communism all that suited him. Having secured the advantages, he listened to the 'popes' or village priests who resist this ungodly and particularly unchristian government."

The Echoes

A not unexpected development following Mr. Hoover's telegram is the old time position, assumed by some strongly partisan papers, that Mr. Hoover's telegram is objectionable in that he does not first of all declare his allegiance to the republican party. That's the same long insisted upon first qualification—does the candidate wear the party collar—if not, regardless of all other qualifications, he is ineligible.

The people hope we have passed beyond that, especially in these trying times, and that the issues and the candidates will exert the controlling influence upon the voters in their declaration of party allegiance.

How can Mr. Hoover tell, in advance of a declaration of principles by the political parties, whether he is a republican or a democrat?

How can any other voter of the land tell, at this time, which ticket he will vote in the general election next November?

Mr. Hoover announces that he is naturally affiliated with the progressive element of the republican party and if the party shapes a course in harmony with the demands of that element and calls upon him to be the standard bearer he will accept. If it does not take such "forward looking action" in national convention assembled, the inference is plain, he cannot be a candidate.

That position is just what makes Mr. Hoover the choice of the people.

A Real Warning

Henry P. Davidson, head of the American Red Cross, warns that unless speedy action is taken by the governments of the world and Central Europe and the Near East "cleansed and disinfected" there can be no world peace, no matter how many treaties are signed and that the danger of the greatest cataclysm in history is a probability of the near future.

Coming from such an authoritative source the warning of Mr. Davidson should receive the earnest attention of the governments of the world. The Red Cross is in position to gather all the facts regarding the physical condition of the populations in the districts mentioned. It has done so and the head of the American Red Cross speaks from facts.

Mr. Davidson is not the only one who has warned us of the coming of a plague unless action was quickly taken to eradicate the dangers in Europe and the Near East. Returning travelers, by the thousands, men and women, officials and private citizens have been unanimous in declaring that the spectre of a world-wide plague is skulking in the shadows of the battlefields and the stricken, starving communities of Europe and the Near East.

The conditions recounted are too appalling in their awful immensity to be changed by the efforts of individuals or private organizations, charitable, humane or semi-public. It is a work for government, fully as important or more important in the gravity of its menace than the outbreak of war.

We must cease our wrangling over inconsequential details and face the facts. Typhus and the white plague are running like lightning through Russia, Siberia, Hungary, Turkey, Montenegro and Syria.

Other imminent authorities declare that Dr. Davidson's statements are more than warranted by conditions—that he understates rather than overstates the actual facts.

We must have peace first and then we must work with all the energy, all the unselfish humane impulse our better natures furnish else plague and pestilence may exact a greater toll of human life than even the world war demanded.

April Is Here

The month of March is behind us now. That month is always approached with a great deal of apprehension by most folks, both on account of the more than usual physical ills with which people are afflicted during the month which marks the turn of the seasons and the unpleasant weather conditions which generally prevail.

The month of gales and storms this year treated us, hereabouts, with more than ordinary kindness. The temperature was within one degree, taking the average, of March of last year.

A great deal of out of doors work was done by the farmers, and in this section March weather has enabled the farmers to get quite a "hunch" on spring work.

Nevertheless we all feel a little more secure now that April, with her smiles and tears, is with us once again, at whose touch the buds burst into bloom and all nature comes to life.

POETRY FOR TODAY

STATUE OF THE MARNE
 Raise up a triumph-arch of gold;
 To guard great Freedom, as of old,
 When heroes fought 'gainst tyrant-fold
 With cry—"They shall not pass!"
 An emblem raise, as victor-toll,
 Bought by the dear, each stone a soul.
 When guarded they the sacred goal,
 With vow—"They shall not pass!"
 In days to come let it recall
 Youth's sacrifice; lest freedom fall.
 Let brave hearts form a buffer-wall,
 That tyrants shall not pass.

ANGEL OF DEATH ENDS SUFFERING OF R. D. MCCLURE

After suffering several weeks from blood poisoning and other complications, resulting from a carbuncle Mr. Robert D. McClure died at his home on South Main street Thursday evening at 7 o'clock, aged 60 years.

An unusually large circle of friends and acquaintances will learn with deep regret and a feeling of personal loss of Mr. McClure's death. He was a genial, sociable, sympathetic and kind hearted man who made sincere friends with everyone he met. For many years he has been identified with the wholesale and retail grocery business in this section. Born at Sinking Springs he came here first as the representative of The Welton & Baker Grocery Company, subsequently becoming a member of that firm. When that firm consolidated with The Dahl-Campbell Company he was later one of the incorporators and stockholders of The Welton Grocery Company of this city and when that business was purchased by The Dahl-Milikan Company he became associated with the last mentioned firm, later removing to Peebles, Adams county, Ohio, where for two years he conducted a retail business, returning then to this city where he resided until his death.

During his years of service as a merchant and as a salesman, for which positions his lovable disposition and his unselfish interest in others qualified him unusually well, he made many staunch friends throughout this section of the state.

Never was a more gallant battle waged against overwhelming odds than that of Mr. McClure himself and his family and attendants. Everything possible for a devoted family, loving friends and skilled physicians to do was done. Never was a stricken man braver and more patient than Mr. McClure. His consideration for others remained all through the long ordeal of suffering, and during which, the same pleasing personality remaining supreme, bound closer the loved ones at home and made firmer friends of the watchers at his bedside.

He is survived by a widow, one daughter, Mrs. Margaret Stitt, wife of Dr. H. L. Stitt; one brother, J. M. McClure, of Bloomingburg; one sister Mrs. Margaret Ann Beckman, of Peebles, Adams county, Ohio; and three grand children, Robert, Martha Ellen and Howard Houston Stitt.

Definite funeral arrangements have not yet been made.

Funeral services will be held Sunday afternoon at 2:00 o'clock at the First Presbyterian Church, and burial will be made in the Bloomingburg cemetery. The Knight Templars will have the services in charge.

ATTENTION

Sir Knights will assemble in full dress uniform at Masonic Temple, at 1:30 Sunday afternoon to attend the funeral of Robert D. McClure.

REDUCTION OF OHIO CROP ACREAGE IS FORECASTED BY BUREAU

(By Associated Press)
 Columbus, O., April 1.—A reduction of eight percent in crop acreage in Ohio this year is forecast in the report of a survey made by the Federal Bureau of Crop Estimates.

The report also shows a ten percent reduction in the number of men and boys on farms as compared with last year.

The reduction in prospective acreage ranges from five percent in the northwestern and western counties to thirteen percent in the eastern and southern counties of the state, the report says. A labor shortage is also reported by the farmers, according to the report.

MARINE WORKERS IN N. Y. HARBOR ENTER ON STRIKE

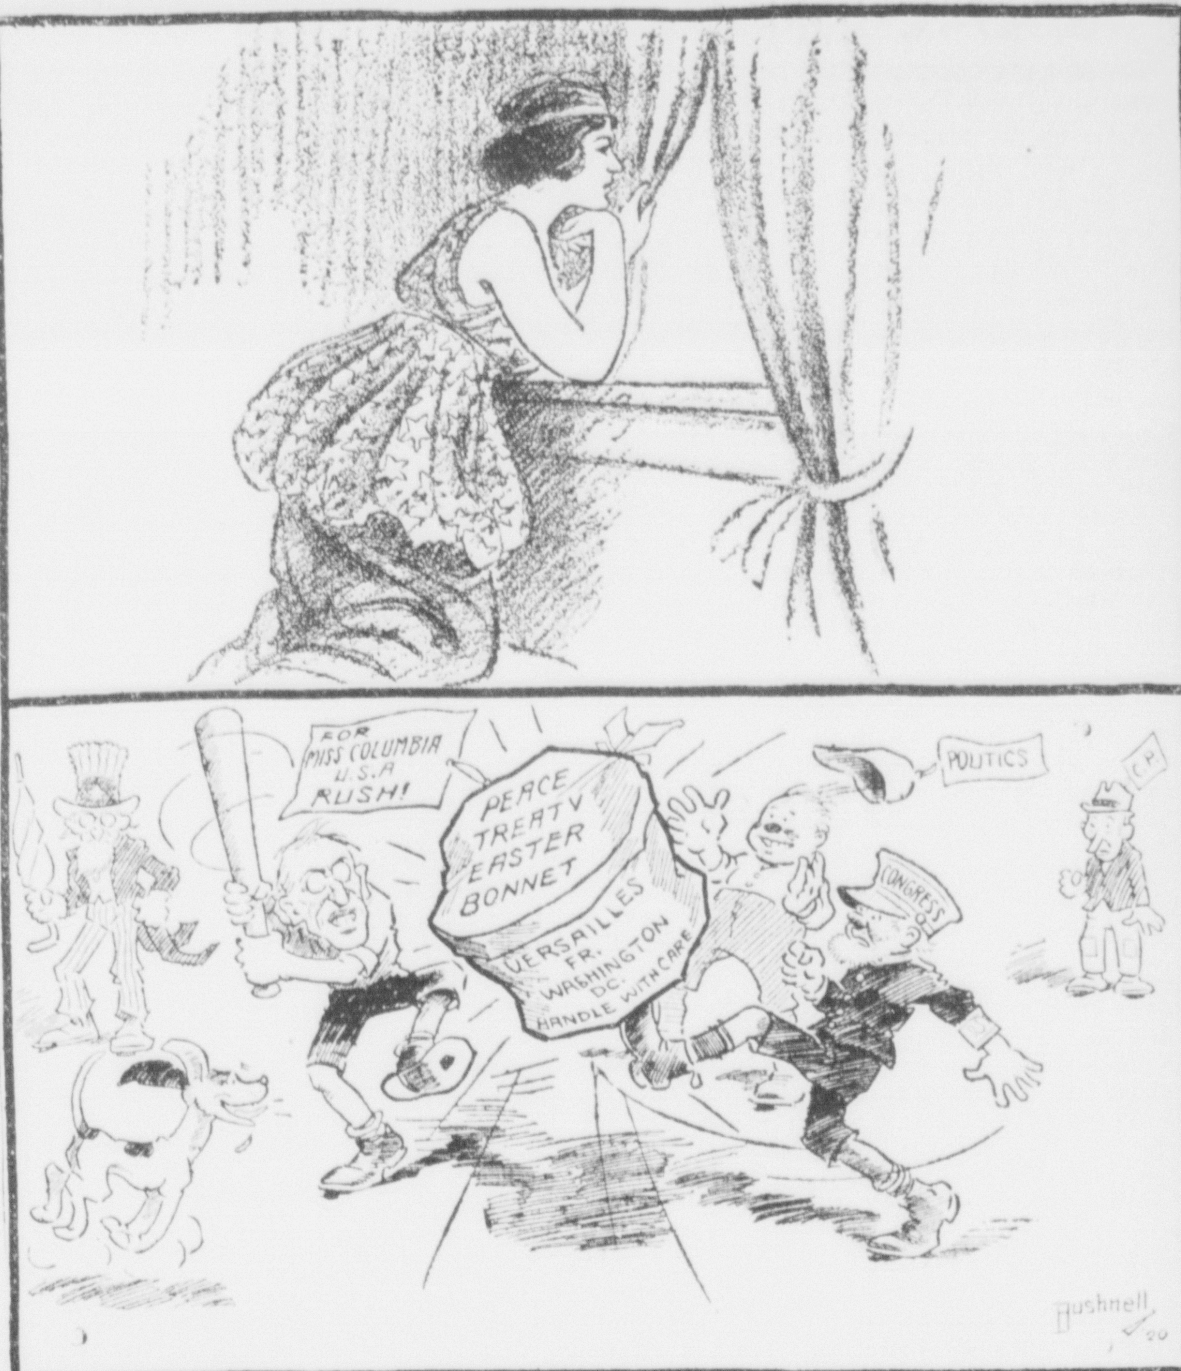

(By Associated Press)

New York, April 1. — Obeying a strike call involving between 8,000 and 15,000 marine workers, crews operating railroad ferry boats at 9 o'clock began tying up their craft after the rush of homeward bound commuters had ended. Engine room and deck forces of railroad tugs and lighters were called out this afternoon.

Officials of the railroad companies affected announced they would make no attempt to operate ferries during the night, but an intimation that strikebreakers might be employed was given by J. J. Mantell, chairman of the New York subcommittee of the "general managers' association."

MINERS' SPOKESMAN CHARGES RAISE IN PRICE UNWARRANTED

(By Associated Press)

New York, April 1.—Ellis Searles, speaking in behalf of the United Mine Workers of America, declared tonight that the 27 percent wage increase just granted bituminous mine workers does not justify the price increases of 65 cents to \$1.50 a ton which operators have announced will have to be made. He added that the increase in cost of production could not exceed forty or fifty cents a ton.

OHIO MAY TRY TO CURB PROFITEERING

(By Associated Press)

Columbus, O., April 1.—Ohio may attempt to curb alleged rent profiteering through a system of municipal licenses for landlords. Not until it has been definitely established that cities are without authority to provide relief will the state take a hand.

Besides ascertaining whether cities have power to provide such regulation by licensing a committee will draft a model ordinance to be passed by the various municipalities. The committee will meet at the office of the attorney general next Thursday morning.

NAME WITHDRAWN

NEW YORK FACING A COMPLETE TIEUP

(By Associated Press)

New York, April 1.—A complete tie-up of harbor traffic at this port was threatened tonight when the American Association of Master Mates and Pilots, with a membership of twenty-eight thousand, voted to strike at 7 o'clock today to enforce demands for an eight hour day.

BOY IS BADLY HURT

CHILLICOTHE — William D. Fullerton, son of Dr. William M. Fullerton of Cleveland, visiting his grandfather here, suffered a fractured skull when he was accidentally struck over the head with a golf club with which his younger brother was playing. His condition is serious.

RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

The Young Women's Christian Association membership drive is progressing well, although many do not seem to understand the "non-fee membership." Signing the membership cards has nothing to do with the finance drive which opens April the sixth, and which means the solicitation of people generally, regardless of those who are enrolled as members. The signing of the membership cards signifies the approval of this organization in our city and the willingness to be one of its members.

When fully organized, classes will be formed in whatever members desire, "Gym" swimming, civics, book-keeping etc., and a small fee charged for whatever classes are joined.

The organization plans also include summer camps, cubs, picnics, hikes and various forms of entertainment and those who sign the membership cards are eligible, regardless of whether or not they are financial contributors.

On Sunday at 4:30 p. m. there will be a "Membership Tea" at the Y. W. C. A. rooms and all members of the membership committee will make their final report. Miss Myrtle McCoy is chairman of the membership committee and Mrs. Austin F. Hopkins is of the financial drive.

The Y. W. C. A. fields are sending out moving pictures, which have to do with Y. W. C. A. activities. Miss Jones, Field Secretary, of Ohio and West Va., who is here assisting in the local organization, and Miss Townsend, local secretary, wired for these films, two of which have arrived and will be shown in addition to regular programs Friday and Saturday nights. "Blue Triangle Girls in China" will be shown at the Palace theater and "Our Girls" at the Colonial.

A very pretty, although simple, wedding took place at the home of Mr. and Mrs. Thomas Merritt, on the Creek road, Thursday noon, when their daughter, Ruth Devona, became the bride of Mr. Harry E. Lloyd.

Rev. H. C. Leath was the officiating minister, with fifty guests in attendance.

Miss Gladys Brown filled the role of bridesmaid and Mr. Joseph Merritt, a brother of the bridegroom, acted as best man.

The bride, pretty, fair and girlish was most becomingly attired in white embroidered voile and carried a

beautiful bouquet of bride's roses and The maid, whose brunette type was in effective contrast, wore white organdy with blue girdle, and carried pink roses and sweet peas.

An elegant wedding dinner followed the ceremony. The bride cut the big wedding cake amid a shower of merry good wishes, which are shared by many friends throughout the community.

Mr. and Mrs. Lloyd have not yet definitely decided upon their future plans.

Mr. Lloyd is connected with the auto-truck department of the Dahl-Campbell Wholesale Grocery Co.

Mrs. Charles Ford delightedly entertained the Ladies Aid Society of the Milledgeville Methodist Church, at her spacious home Wednesday afternoon.

The society had as guests Mrs. Charles Fichthorn and Mrs. Harry Hizer.

The annual meeting, which is always an interesting event, will be held next month at the home of Mrs. Wm. Burnett, in Plymouth.

Secretary and Mrs. F. L. Fraser with their daughter Miss Lydia, who is home from Western College for the Easter vacation, extended cordial hospitality to the young people of the Sugar Creek Baptist Church, Thursday evening.

Games and refreshments contributed to a very delightful evening.

Mrs. Noah Baughn of Dayton avenue entertained the regular meeting of the Missionary Society of the Sugar Creek Baptist Church, Thursday afternoon, with its usual program and business session.

Music added to the pleasures of the afternoon.

The members of the young Women's Foreign Missionary Society of the Grace M. E. Church were indebted to Mrs. Fred E. Mark, with Mrs. Minshall, Mrs. Coffey, Mrs. Chapman, Mrs. Duncan of Greenfield as assisting hostesses, for very enjoyable entertainment, Thursday afternoon.

It was the largest meeting of the year. Mrs. Penn conducted the Devotionals followed by an article on "Thank Offering," read by Mrs. Frank Blessing.

Mrs. Ed Fite was present, and made

a strong appeal for the Y. W. C. A. Miss Helen Glascock was in charge of the lesson study, the last chapter in the book, "Crusade of Compassion" and Mrs. Jess Pengans presented the "Mystery Box."

The musical part of the program consisted of a beautiful piano duet by Mrs. B. E. Kelley and Mrs. J. H. Chapman and a much enjoyed vocal duet by Missionary song by Elizabeth and Marshall Alexander.

Dainty refreshments were served during the social hour by the hostesses with Mrs. Mark's sister, Mrs. Harold Inskeep, assisting.

The Chi Delta Chi girls were hostesses at a very jolly roast Thursday evening at Rock Mills, several of the members of the club, home from college for the Easter vacation.

There were thirty-two in the party, including the Chi Deltas, guests and escorts: Miss Wylodine Jones of Jackson, Miss Ruth Brown of Springfield, Miss Helen Hoskins, of Columbus, Misses Mary Hanna Bliss, Jessie Sunkle, Eleanor Jones, Jocelyn Bowen, Helen Durant, Mary Hagler, Florence Bliss, Dorothy Dick, Marjorie Kiever, Marie and Lorrie Robinson, Maxine Kibbler, Dorothy Dill; Richard and Willis Willis, Howard Gregg, Walter Weaver, Joseph Wilson, Richard Haynes, John and Newton Browning, Ira Barchet Grove Davis, Arthur Rothrock, Jesse Hagler, Thomas Rogers, David Craig, Charles Fabb, Willard Perrell.

TWICE APPOINTED AND ONCE ELECTED JUDGE OF PROBATE

The new Probate Judge Roll G. Allen, appointed Thursday afternoon to succeed his father, Judge Frank M. Allen, who Thursday tendered his resignation, has filed bond and Thursday evening assumed charge of the office once more after being out of the office nearly three years, most of which time was spent overseas in the military service.

The outgoing judge was twice appointed by Governor Cox to fill a vacancy caused by the resignation of his son who responded to the call of the country for military service, and once was elected to the position, having served four years as Probate Judge during which time the duties of the office have been unusually heavy.

Judge Roll G. Allen was twice elected to the office, the second time while he was in the military service on the Mexican border.

When the Mexican trouble broke out Major Allen resigned as Probate Judge on the 29th of August, 1916, being succeeded by his father who was appointed by Governor Cox. On February 11, 1917 Judge Frank M. Allen resigned and Major Allen was reappointed, later resigning to go with the Fourth Regiment to France where he remained two years.

SUDDEN DEATH OF MRS. THOS. N. CRAIG

Mrs. Elizabeth Jane Craig wife of Judge T. N. Craig, died suddenly Friday morning at six o'clock at her home on East Paint street, aged 69 years. The shock to her family and friends is overwhelming. Mrs. Craig had risen apparently in her usual health and a few minutes later fell to the floor, stricken with hemorrhage of the brain. Medical aid was secured at once, but death ensued soon after.

Mrs. Craig while essentially a home woman, was also a woman of great kindness and unselfishness, who was much beloved by a large number of relatives and friends, who share deeply in the sorrow of her death. Their sympathy and that of the community goes out to the bereaved family.

Mrs. Craig is survived by her husband and one daughter, Miss Elsie, in the home, the two sons, Dr. LeRoy and William, having preceded their mother into the great beyond. Mrs. Sarah A. Rowe of West Temple street is the only surviving sister, with three brothers, Messrs. Eli and Williams Craig of this city, and Henry Craig, of Oklahoma.

Funeral arrangements will be announced later.

RECEIVES SAD WORD

Mr. Ira Walker has received word of the death of a sister-in-law, Nellie Mitchner Walker, wife of the late John Walker, which occurred March 20th at her home in Newton Kansas.

Mrs. Walker was a talented artist. Her recent illness seemed to have had its origin in a fall sustained while on a trip to a Vermont College about a year ago.

She is survived by a mother and father one brother, William Mitchner of St. Louis, Mo., who have the deepest sympathy of Washington friends.

Cliff Binkley, Columbus heavyweight grappler, has accepted terms for a finish match with Ed. "Strangler" Lewis. The match is to be staged early in May. The Columbus Athletic Club will be the scene of the bout.

Binkley has broken off business relations with his manager Al Haft, and Columbus wrestler will change his policy of meeting medium ring men and will go in after the big fellows.

GOVERNOR DOES NOT WANT STAFF

Harrisburg, Pa. (By Mail)—Governor William C. Sproul has decided not to avail himself of the time-honored privilege of appointing a personal staff. He rebelled at the thought of being followed about by a retinue decked out in gold braid swords and military trappings. He will struggle through his term as governor without it.

FUNERAL SERVICES MRS. J. W. BRANNON

Stanton M. E. church held a large assembly Thursday afternoon for the funeral services of Mrs. James W. Brannon. Brief as had been the time of Mrs. Brannon's residence in the Stanton neighborhood, she had won both respect and affection and there was warm personal sorrow mingled with sympathy for the family so greatly bereaved.

Rev. Rose conducted affecting services, assisted by Rev. Gale.

There was a profusion of beautiful floral tributes from relatives and friends.

Burial was made in the Bloomingburg cemetery. The pallbearers were the two sons, Warren and Raymond, Messrs. Thomas and John Louden, Sherman Hidy and Frank Hoskins.

MEMOIR.

Cora Anna Knepp Brannon was born November 7th, 1871 in Snyder county, Penna., and died at Stanton, Ohio, March 30th, 1929, aged 48 years, four months and 23 days.

She was united in marriage to James W. Brannon April 27th, 1893. To this union were born six children, Hugh Milton having died in infancy, Warren, Verna, Raymond, Louise and James all at home.

Sister Brannon united with the church at the age of 15 years and lived a consistent Christian life. In whatever community circumstances placed her she was very careful to identify herself with the church, her membership at time of death being in the Stanton M. E. church.

She was the teacher of the boys' and girls' class as long as she was able to attend Sunday school and was deeply interested in it.

Mrs. Brannon's first consideration in her life's duties were to her home and church. She lived to make her home happy and was most kind and loving to her grandchildren.

She impressed all who met her as a refined Christian woman.

She leaves to mourn their loss, a husband, five children, three grandchildren and also two sisters and one brother, of Lewistown, Pa., and a host of friends.

CARD OF THANKS.

Mr. Brannon and family wish to extend their sincere thanks to all who showed kindness during the illness and death of the wife and mother, and also for the beautiful flowers received.

CLERGYMAN IS HELD AS THIEF

(By Associated Press.)

Vienna (By Mail)—A clergyman, Thomas Pfeifferkorn, alleged to be the leader of a band of 25 thieves and incendiaries, has been arrested with his followers at the town of Mittersell, according to the Salzburger Volksblatt. Pfeifferkorn, the papers say, recruited his followers from among persons of some standing in the town of Mittersell, including the photographer, the schoolmaster, the postmaster and the postmistress, and the letter carrier. They are alleged to have burglarized the inn and then set fire to it and to have practiced blackmail on a number of prominent citizens.

It's just as desirable to know when to forego an advantage as it is to know when to grasp an opportunity.

SIMPLICITY INCUBATORS

There are three things upon which your success in hatching chickens absolutely depends. You must have all three—heat, ventilation and moisture—in just the right degree and each must work in harmony with the others. The absence or even a slight variation of one of them will make big hatches and strong chicks absolutely impossible. The SIMPLICITY INCUBATOR gives you these three qualities in the right way, the natural way, just like mother hen, the only difference being that the SIMPLICITY is even more dependable. Above all others, the SIMPLICITY best supplies these necessary and important features.

The SIMPLICITY INCUBATOR positively can't have the cold corners or cold side walls which render perfect hatches impossible.

WONDERFUL ENSEMBLE OF EASTER BLOOM

The Buck Floral Gardens are certainly at their brightest and best this season judging by the marvelous up town Easter display at the Johnson's Auto Display room. There could be no more radiant expression of the Easter spirit than in this wonderful ensemble of flowers.

Last year it seemed impossible to excel the Buck Easter display but it has been done this year and in both gorgeous bloom and large number it surpasses any thing heretofore shown. The sales room is transformed into a conservatory of rare beauty. All the bright Spring flowers—the tulips, hyacinths, daffodils, lilies, are there and with them superb hydrangeas, graceful primroses, roses cyclamen—everything seasonable in potted plants and everything fragrant and beautiful in cut flowers for the ordering.

The artistic decoration of the pots and baskets is an added feature in the attractiveness of this display and the color combinations are made with consummate skill.

If from nothing else than local pride every man, woman and child should see this Easter showing. It is one more undisputed proof of the superiority of Mrs. Lizzie Buck and her talented florist, Mr. Einar Jansen, in the world of floral artists. Washington C. H. boasts floral garden without fear of rivalry.

Those unable to visit this display may share in its pleasure in the gift of flowers.

THE BEST KIDNEY REMEDY ON EARTH

Husband Suffered 15 Years Swollen Limbs and Feet. Tells About It Below.

"How easily one may strengthen and tone up their system until nature can throw off such troubles even after years of torment is told below by a Columbus Lady whose statement may be easily verified by the skeptical, Mrs. Margaret Linliman, 129 N. Princeton Ave. said:

"My husband has been troubled with kidney trouble for fifteen years. He became so bad he had to give up work not long ago, but since taking this grand medicine called Earle's Hypo-Cod he has gone back to work and I'll tell you about it," she declared.

"His kidneys were very weak, and forced him to get up often at night. His limbs and feet would become swollen and he could hardly walk at times. He wouldn't rest good nights and had finally become all rundown. His appetite was poor and even what he did eat would form gas and cause him discomfort. He was so weak and nervous in spite of all the medicines he took for years that finally he gave up work, but since taking Earle's Hypo-Cod he is better in every way and back to work. He has a good appetite and nothing disagrees with his stomach at all. His kidneys are so much stronger he never gets up nights and sleeps just fine. The swelling in his limbs disappeared and it really did such marvelous things for him I started to take it as a tonic and for catarrhal trouble I had in my throat and it relieved me too, so I can't praise it enough," continued Mrs. Linliman, whose husband is with the American Railway Express Co., Columbus.

Those troubled with similar complaints will find that Earle's Hypo-Cod might soon build up their strength. Throws off such troubles and puts you back on your feet in robust health according to thousands who likewise endorse Earle's Hypo-Cod. Go down to the drug store tonight and get a bottle.

Earle's Hypo-Cod is sold here by C. S. Haver's and Frank Christopher's drug stores and the leading druggists in all near by towns. Price \$1.25, plus 5c war tax—Adv.

MOST PEOPLE IN NEED OF SPRING TONIC THIS YEAR

Sickness General And Thousands Are Run Down—Vola-Tonic Ideal Builder.

Nearly everybody needs a strengthening, health-building spring tonic this year.

Influenza came back in January and February and thousands of people who had it are weak and run down as a result. In addition, what appeared to be a general wave of sickness passed over the country the last of February and the first part of March. Complaints were common during that period. Bad colds, la grippe, colds and other forms of weakening sickness were reported everywhere.

As a result of these things thousands of men and women are weak and run down and it is believed that the need of a strengthening, health-building spring tonic is more general this year than ever before in history.

Vola-Tonic, Builder of Strength," is already being taken by many people as a spring tonic and is what thousands of other men and women need.

Vola-Tonic invigorates the entire system and is a wonderful strength-builder. Vola-Tonic starts its work by bringing a normal, healthy appetite and putting the digestive organs and bowels in good condition. It helps the stomach take strengthening nutrition from food to enrich and build up the blood and to nourish the organs and tissues of the body. Vola-Tonic also soothes the nerves and permits sound, energy-restoring sleep every night. As a result, full normal strength and health soon come to the weakened, run down man or woman.

People who are weak and run down from influenza, la grippe, colds or other sickness should take Vola-Tonic this spring so that they will be strong and well and ready to enjoy summer when it comes.

Vola-Tonic, "Builder of Strength," is being specially introduced in Washington C. H., at Frank Christopher's and in Jeffersonville at J. B. Bavis'—Adv.

TO AID FARMERS WHO GROW FISH IN PRIVATE PONDS

(By Associated Press)

Columbus, Ohio, March 31.--Farmers or land owners of Ohio wishing to engage in the propagation of fish for private and commercial purposes will be encouraged in many ways by the state fish and game department.

Demands for information on how to start fish ponds have been so numerous recently that Al C. Baxter, chief of the department, has prepared a statement in which he tells how to successfully engage in breeding fish.

Farmers who show that they are prepared to propagate fish will be furnished with a sufficient number of choice fish to act as breeders free of charge. The department recommends the following as the best pond fish: Croppies, sun fish, black bass and German carp.

Mr. Baxter says an ideal pond would be one of two or more acres, fed by springs of sufficient capacity to maintain a spillway level. The pond should be eight or ten feet deep in the center and shallow at the edges. The deep water, Mr. Baxter explains, is necessary that the larger fish always have cool water. The shallow water is necessary for most species during their spawning season and protection to the smaller fish from the larger ones.

Ponds should have a cement dam, he says, with proper spillway as well as sodded banks well shaded.

After construction of the pond, Mr. Baxter says the next step is to stock the lake with aquatic plants--mosses etc. These plants are necessary as they play an important part in the propagation of fish by their constant purification of the waters. They take up the carbonic acid, caused by decomposition of animal and vegetable matter and give off oxygen necessary to fish life.

BIG FRUIT CROP SEEMS ASSURED

That an unusually large fruit crop seems assured is the opinion of horticulturists generally, and Fayette county's prospects are equal to those of surrounding counties.

The following article from the Hillsboro Dispatch indicates bright prospects in Highland county:

"Several specimens of plum and peach tree branches have been brought to the office of the Farm Bureau which show that the fruit is not killed and that there will be a great abundance of all varieties of fruit unless there should be a frost while trees are in bloom. The same report of an abundant fruit crop is coming from all parts of the state, and the reason assigned is that the trees have rested for several years, and this winter has been seasonable for a fruit crop. On one plum twig in a half inch space there were seventeen fruit buds, and another limb of eleven inches contained 54 buds. The peaches show the same indication of a good crop."

SPRING WHEAT CROP NOT SURE IN OHIO

Spring wheat, although of no great importance in Ohio, is planted to some extent. It yields on an average probably one half as much per acre as winter wheat. The spring wheat is later than winter wheat and is, therefore, more susceptible to damage from the hessian fly. Reports from field inspectors indicate that the fly infestations will be heavy in many sections this year.

KEEP LOOKING YOUNG

It's Easy--If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young--to do this you must watch your liver and bowels--there's no need of having a sallow complexion--dark rings under your eyes--pimples--a bilious look in your face--dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 10c and 25c.

In 2000 Counties This Month

The Forces of the Church of Christ Will Gather To Face the Facts

IN 2000 counties in the United States the pastors and laymen of 30 great denominations will meet in conference this month.

It is the kind of conference that generals hold before a critical engagement; that business men hold before entering a new market. A conference of judgment, not emotion; a clear-eyed facing of the facts.

A Survey that Business Men Must Admire

For more than a year hundreds of workers have been quietly engaged in making a scientific survey of the mission fields, and of America county by county.

The facts developed are startling. No such picture of America's religious situation has ever before been drawn.

On the basis of these surveys thirty Protestant denominations are uniting in a

Nation Wide Cooperative Campaign

Each of the thirty denominations has its own "Forward Movement" organized and officered. The Interchurch World Movement is the clearing house for all of these.

It is the agency which the churches have created to avoid duplication, to foster cooperation and make sure that every man and dollar render the utmost service possible.

The month of April will be devoted to making the facts of the survey known to America; in the week of April 25th-May 2nd, will come a united simultaneous financial campaign.

Whether You Are Inside the Church or Out

To every man and every woman who loves his country, these 2000 county conferences are vitally important.

For the facts developed by this great survey show vividly what forces are at work in America—and what kind of a country this country is to be.

See that the pastor of your church appoints delegates. Any pastor can tell you the conference place and date. Or write direct to the

FARM NOTES

Soybean Seed Scarce

The supply of soybeans for seed is low, according to Professor J. B. Park of the Department of Farm Crops of the Ohio State University. He says, that although it is not desired to plant soybeans until the middle of May or later, farmers who expect to plant this valuable crop should secure their seed at once. He adds that many soybean failures are due to planting the wrong varieties. Very late varieties, such as Mammoth Yellow, are not suitable for Ohio.

Here are some for seed, to San, March, Elton, Ohio 9935, and Mongol for soy. Medium Green, to San, Mongol, Ohio 9935, Peking March, and Elton; for silage, Hollybrook, Mongol, Ohio 9935, Haberhandt, and Peking; and for hogging, March, Elton, Ohio 9935, Mongol, and to San.

Terms "Cost" And "Profits."

During the past year many misstatements have been made in regard to the terms, "profit" and "cost" as applied to agricultural products, says Prof. J. I. Falconer, head of the Department of Rural Economics of the Ohio State University. He argues that, in account of the increased interest in farm accounting, costs, and prices, accounting terms should be used correctly.

He emphasizes the necessity of using the term "cost" only when all items of cost are included. If all costs are not included then a qualifying term such as "labor costs" or "land, labor, and fertilizer costs" should be used.

By "profit" is meant the remainder after the total of all costs has been deducted from the total receipts. If all items of cost have not been deducted the word "profit" should be qualified, for example, "value of receipts above costs" or "value of increase above fertilizer costs." "Value of product above cost of feed."—O. S. U. Bulletin.

U. S.-MEXICAN TRADE GROWS

(By Associated Press.)

Mexico City (by mail)—Import and export trade between the United States and Mexico in the year 1919 totaled \$43,936,114, more than in the year 1918, according to the figures announced by the American Chamber of Commerce in Mexico. The total trade in 1919, in United States currency, was \$289,378,277. Secretary W. P. Saunders of the American Chamber says this increase is due to the entrance of approximately 100 new American firms into Mexican trade during the past two years.

General. This company has a ten-year record of successful operation, and today ranks twelfth among tire manufacturing companies in this country. In 1918 the policy was changed from manufacturing a medium grade product for the jobbing trade, to a high quality tire, which is now distributed through dealers direct. The number of branches was increased from four to fifteen. This transition resulted in a loss and expense of several hundred thousand dollars through the discarding of materials and machinery, liberal adjustments and the reorganization of the entire sales plans. Earnings for 1918 and 1919 were decreased to this extent. Under the new policy, because of better prices, a considerable reduction in the number of tires produced gives the same cash value in volume of business, and permits of a 100% expansion without material increase of investment in fixed property.

The company has an excellent fabric situation, having a supply, contracted for at low prices, sufficient to meet requirements for 1920. Tire prices were recently increased which should increase 1920 earnings substantially.

Earnings. The average net earnings for six years ending November 30, 1919, after Federal Taxes, were in excess of two times the annual dividend requirements of the preferred stock.

Values. Each share of preferred stock is protected by \$182.00 of net tangible assets and \$130.00 of net quick assets. The tangible book value of the common stock is \$20.71 a share. These figures are without consideration for an appraisal made by the American Appraisal Company showing sound values of \$458,000 in excess of book value of fixed property.

Dividends. Regular quarterly dividends have been paid on preferred stock outstanding for six years.

An initial dividend of 75 cents a share was paid on the No Par Value Common Stock, March 1, 1920. Total cash dividends of \$2 2-3% and stock dividends of \$3 1-3% have been paid on the common stock since 1912.

All legal matters pertaining to this issue have been passed upon by Messrs. Squire, Sanders & Dempsey, Cleveland, for the bankers, and L. M. Kyes, East Palestine, Ohio, for the company.

The books and accounts are regularly audited by Messrs. Ernst and Ernst, Certified Public Accountants.

No fractional shares will be issued, but an adjustment will be made for fractional shares of common stock at the rate of \$30.00 per share.

Price. 5 shares 7% Preferred, 1 share No Par Value Common: \$500 and accrued dividend on preferred from April 1, 1920.

Buying MIOLO—Real Economy

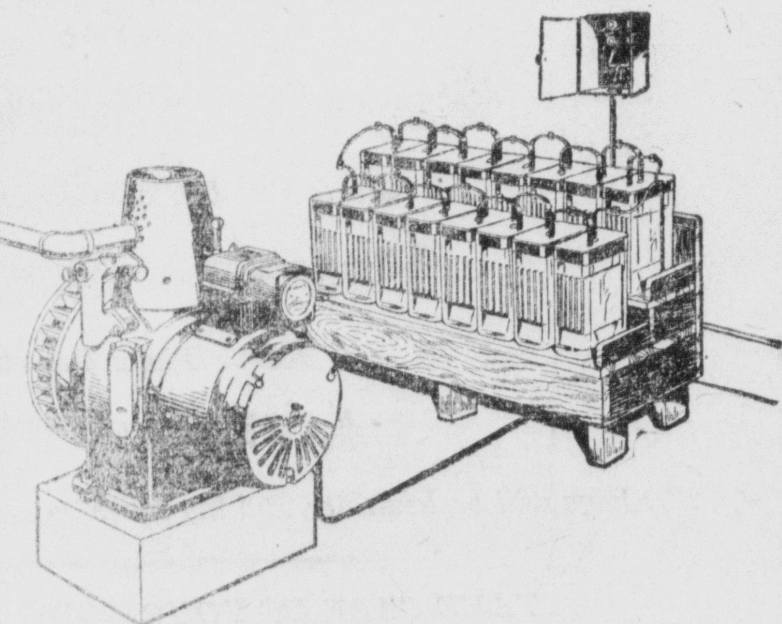

Substituting an inferior product simply because it is lower in price is not economy. Real economy is the ideal combination of Quality and Price—securing the same quality at a lower cost.

MIOLO is unrivalled because of its own distinctive merits—not as a substitute for butter but as an alternative—a product so excellent in flavor and appetizing aroma as to please the most particular. That is why we say—BUYING MIOLO equals REAL ECONOMY.

PE-RU-NA

This Lady TELLS Her FRIENDS

Mrs. Mary Fricke, 507 Bornman St., Belleville, Ill., is just one of the many thousands of ladies throughout the country who, after an agony of years, have at last found health, strength and vigor in PE-RU-NA.

Her own words tell of her suffering and recovery better than we can do it: "I suffered with my stomach, had awful cramps and headaches so I often could not lay on a pillow. Saw your book, tried PE-RU-NA and got good results from the first bottle. To be sure of a cure I took twelve bottles. I have recommended PE-RU-NA to my friends and all are well pleased with results. I will not be one day without PE-RU-NA. Have not had a doctor since I started with PE-RU-NA, which was about fifteen years ago. I am now sixty-three years old, hale, hearty and well. Can do as much work as my daughters. I feel strong and healthy and weigh near two hundred pounds. Before, I weighed as little as one hundred. I hope lots of people use PE-RU-NA and get the results I did." An experience like that of Mrs. Fricke is an inspiration to every sick and suffering woman.

If you have catarrh, whether it be of the nose, throat, stomach, bowels, or other organs, PE-RU-NA is the remedy. It is not new; it is an old experiment. PE-RU-NA has been tried. PE-RU-NA has been used by thousands who once were sick and are now well. To prevent coughs, colds, grip and influenza and to hasten recovery there is nothing better.

PE-RU-NA will improve the appetite and digestion, purify the blood, soothe the irritated mucous linings, eradicate the waste material and corruption from the system. It will tone up the nerves, give you health, strength, vigor and the joy of living. Do what Mrs. Mary Fricke and thousands more have done—try PE-RU-NA. You will be glad, happy, thankful.

DENIAL MADE OF MANY MISTAKES

(By Associated Press)

Chicago, April 2.—The statement attributed to Dr. M. B. Williams evangelist of this city, before a meeting of the Ministerial Union at Toledo recently to the effect that the Chicago Gas Co. had found 12,000 uncorrected mistakes in billing in ninety days the blame for which was placed by company officials to the cause of the men smoking cigarettes, is emphatically denied by officials of the company here.

The People's Gas Light and Coke Company's officers explain that these mistakes were made in 1918 by girls, none of whom smoked cigarettes, who were employed in the places of men who had gone to war and the mistakes were attributed by the Gas company to the lack of skill on the part of these girls.

INCREASED VALUES

Are you carrying sufficient insurance to cover the present value of your property?

In the past three years the value of real and personal property has nearly doubled.

Have you increased your insurance by an amount that will correspond with the advance in REPLACEMENT VALUE of your property?

Have you considered how much money you might be obliged to contribute in case of loss, because your insurance may not fully protect you under present value conditions?

In nearly all instances of renewal we are obtaining increased lines on all buildings and stocks.

Present forms of policies allow you to take insurance without notice to other companies.

It is a good business foresight to discuss the point with Glenn M. Pine, "Insurance." Telephone Automatic 5881.—Advt. 62

AKRON, OHIO, MAN GAINED 18 POUNDS

"There's Nothing Like Tanlac" Declares Clarence Hall—Suffered Six Years.

"I count myself lucky that I got Tanlac, for since I began taking it I have gotten rid of a case of indigestion that had followed me for six years and have gained eighteen pounds in weight besides," was the statement made a few days ago by Clarence E. Hall, a well known employee of the Goodrich Rubber Company, living at 951 Bowery street, Akron, Ohio.

"For years," said Mr. Hall in explaining his case, "I could not eat any breakfast, and if I ate any supper I would just fidget about all night in such misery that I could hardly get any sleep. After meals the worst kind of pains would start up in my stomach and then get into my chest and around my heart almost cutting off my breath. Sometimes my heart would beat and palpitate at such a fearful rate as to make me think I had heart trouble."

"But stomach trouble is not the only thing Tanlac has relieved me of, for I had rheumatism in my legs that hurt like a bad toothache. I could not stoop over and straighten up without just suffering again, but since taking Tanlac I never feel a rheumatic pain. I used to get so nauseated that I could hardly retain anything I would eat and I lost weight and strength continually. I was troubled with dizziness so bad that at times my head seemed to be spinning around like a top, and I was so weak and tired all the time that I never felt like doing a lick of work."

"During the past two years I have been under treatment several times and tried numbers of different medicines, but never found anything to help me until a friend of mine who had taken Tanlac persuaded me to try that medicine, and then I commenced to straighten right up. All signs of stomach trouble and rheumatism soon left me and I enjoyed fine health until about a year later, when I was taken down with typhoid fever. This spell, of course, left me in a weakened condition and with occasional touches of indigestion. So I began taking Tanlac again, knowing so well what it would do, and in a few weeks time I was on my feet in good shape. My appetite was never better than it is now and I am eating three rousing meals a day without the least trouble with my stomach. I sleep like a school boy for ten or eleven hours a night and that tired feeling has left me entirely. In fact, I have never felt better than I do now, and if I ever need medicine again I shall certainly take Tanlac. There's nothing like it."

Tanlac is sold in Washington by C. S. Haver, in Lowell by Mason's Drug Store, in Jeffersonville by J. B. Davis, and in Octa by I. W. Murphy.—Advt.

TIME TO DEAL

Everywhere and in every community regardless of its size the demand is for homes and still more homes. Literally almost all America is becoming a "homeless country." Paradoxical as such may appear, this is really a sign of progress and of coming unprecedented real estate activity.

It looks like a good time to trade. Perhaps you have a home that you have outgrown; not big enough for your family; not equipped in the matter of conveniences as you would wish it and not up to the standard you can well afford.

There is a wonderful market right now for old homes of most any kind. Why not take advantage of it, sell to one who would be well pleased with what you possess and then build for yourself what you really desire and can afford. Viewed from every possible angle there is every encouragement to build your home and build it now, for, aside from the satisfaction involved, there is now greater possibilities for profitable investment than ever before in all history.

It is an easy thing to be an imitator, but it takes some real thought and no small amount of initiative to be distinctive.

The Winton Factory has solved that problem to the extent that when a man wants a car that is distinctive he buys a Winton Six.

We have been no less successful in taking your Ford out of the "same thing" class. Our De Luxe body outfit does indeed make your car stand out, gives it a personality, and yet does not make it "freakish."

STRONG MEN
SOMETIMES
TIRE EASILY

But Refuse to Believe That They Are Tired Out—Run-Down

EVEN ATHLETES NEED TONIC

This Husky Chap Admits It, and Twice a Year Takes Pepto-Mangan, Red Blood Builder

He is tall (almost six feet), weighs 185, plays golf, works his own garden, and is stronger than most men. He is the picture of health, looks as vigorous as a football player.

But he is a bit anemic, gets tired too easily, is inclined to constipation, is more nervous than a normal man should be, and is subject to disfiguring pimples.

He told all this himself, and added, "Whenever I have the sense or the memory to take two or three bottles of Gude's Pepto-Mangan in the late fall and early spring, I am as right as a trivet. The trouble is I forget. If I hired a doctor only to remind me to take Pepto-Mangan twice a year, it would be worth hundreds of dollars to me."

Gude's Pepto-Mangan is an absolutely dependable red-blood builder in all condition of lower vitality not due to serious disease of the vital organs. It improves the appetite, imparts color to the cheeks, and creates new hope and ambition in those who have become pale, weak, and listless. Physicians recommend Gude's Pepto-Mangan. When you order, be sure the word "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan. Furnished in both liquid and tablet form. For sale by all druggists.—Advt.

GET IN at the BEGINNING

Last year we consistently urged our Clients and the Investing Public to buy AMERICAN MORTGAGE stock when it was selling at par \$100 per share. The price subsequently advanced to \$105 and then to \$110, and the entire authorized issue of \$1,000,000 was subscribed. This Company uses its capital for city real estate financing only, in construction loans and the purchase of second mortgages. AMERICAN MORTGAGE has just declared an extra dividend in addition to the 7 percent paid on the stock. The few shares available are being held at \$110 per share.

We now advise the purchase of stock in THE FARM MORTGAGE COMPANY OF OHIO. This Company uses its capital exclusively for mortgage loans on improved, producing farm property, one of the safest forms of investment known. The Company is in actual operation and can put every dollar of new capital immediately to work at very good net profits.

FARM MORTGAGE stock is now selling at par \$100 per share; the price will be advanced with the progress of the Company. 7 percent interest per annum, semi-annually in July and January, is allowed you from the date of all cash or installment payments on stock subscriptions. SUCH INTEREST IS IN ADDITION TO ANY DIVIDENDS THAT MAY BE DECLARED ON THE STOCK. FARM MORTGAGE stock is all Common and you thus share in all the net earnings; it is non-taxable in Ohio, non-assessable and free from the Normal Federal Income Tax. We advise you to get in at the beginning on this high-grade real estate security.
